

# Weekly Newsletter - 29/04/2022

Dear Parents and Carers,  
I hope that by now, every parent has watched the amazing school video which is on the homepage of the school website. I must have viewed it about 100 times and each time I am just so incredibly proud of all of the children and staff.

This term we are exploring **TRUST** as one of our school values. Please send in the postcards letting us know how your child is developing trust in others and themselves. This week the Year 1's and 2's were treated to an explosive assembly hosted by **Fizz Pop**. They were literally blown away by some of the science experiments. Children across the school have also been treated to performances of **Shakespeare's** plays by **Join the Dots Theatre** company. This is part of our global treasures topic.

**Please remember that next week is a shorter week as we are closed for the bank holiday on Monday as well as the local elections on Thursday.**

Finally, have a wonderful long weekend. I hope that the weather will be kind and allow us to enjoy some time outdoors. I would also like to wish all of our muslim families a very **Happy Eid** on Sunday or Monday.

Best wishes  
Ms Von

## Transport Museum Visit

Year 2's took a leap back in time and enjoyed a visit to the London Transport Museum! The children loved climbing aboard carriages and buses from the past. They even got to sit in the first ever tube carriage! Their most favourite part was walking around the galleries and collecting stamps from each different era. This has enriched their current History topic "Transport" and inspired the children to think about how people travelled in London in the past.

## Join the Dots Theatre Company

We were delighted to welcome Join the dots back into our school. They delivered the most amazing workshops to launch our study of Shakespeare's Plays.

**WE ARE A UNICEF GOLD RIGHTS RESPECTING SCHOOL**

Children's rights are learned, understood and lived in this school.

## Please Note!

**Next week the school will be closed on Monday, 2nd May for the Bank Holiday and also on Thursday, 5th May for local elections.**

## Year 6 Lake District

Year 6 had a super adventurous trip to Outward Bounds in the Lake District where we took part in a range of challenging activities such as mountain and rock climbing, gorge-walking, canoeing and 'jog and dip' in the lake! Slightly less challenging was toasting marshmallows around a fire! Yummy!

We showed self-belief, confidence, resilience and independence throughout the many challenges - qualities we are working to develop in preparation for secondary school. We excelled ourselves by demonstrating cooperation, support, good teamwork and problem solving to ensure we were all successful in our tasks.

Everyone was incredibly proud of Year 6, and we feel that this experience has helped us to realise that anything is possible, if we put our mind to it.
