## Aims

We are an inclusive school. We aim to treat all stakeholders, including pupils, prospective pupils, staff, governors and other members of the community favourably and, wherever possible, take reasonable steps to avoid placing anyone at a substantial disadvantage. We have audited our provision for disability access and made suitable plans in line with the 2010 Equality Act.

The purpose of this plan is to show how Star Primary School intends, over time, to increase the accessibility of our school for disabled pupils, parents and carers, staff and visitors to the school. This plan should be read in conjunction with our school's other policies and procedures. Our accessibility plans are designed to:
