**5T: Isabella**, for growing in confidence and finding her voice! Her attention and questioning skills have improved hugely. She's also been an extremely welcoming and supportive figure for new classmates.

**5P: Zain**, for being a supportive member of the class. Zain is always there to help his peers and tries to support them in any way that he can. He always tries to make the right choices and encourages others to do the same. Keep it up Zain!

## Our topic is Global Treasures!

As mathematicians, the children will continue to delve deeper into the learning of decimal numbers as we will be learning how to add and subtract them.

In Big Reading, we will continue to read 'The Viking Boy' and follow the journey of Gunner and the hurdles he overcomes along the way.

As writers, we will continue focusing on play scripts. The children will have the amazing opportunity to become actors and act out the play scripts that they have written and video record it. Children will then have the opportunity to assess each other's oracy skills and provide each other with tips for improvement.

In R.E. we be looking at what Hindus believe about God and comparing their views to other religions.

As scientists, we will be recapping the animal life cycles and exploring how animals reproduce.
