Nursery Newsletter

This week's learning...

This week we have a very exciting week. We will have a very special visitor that will show us exciting bugs and creatures. We will find out how they are looked after and we will also discuss similarities and differences between the bugs and creatures too.

Furthermore, we will be making comparisons between the creatures we see and our caterpillars and look at the life cycle of a butterfly.

STAR moments...

Look what we have been up to:

"I'm going to wash it"
Eshaal

"It's so tiny"
Dylan

The children were super engaged in making dancing ribbons independently.

This term we are focusing on self-confidence. The Happy leaf goes out to Maya AM /Mayeda PM for helping settle new Nursery children and look after them.

Over to you... Home learning

This term's topic is Global Treasures.

You can use this topic as an opportunity to talk to your child about which apps are safe and appropriate for them to use.
