This week's learning...

This week in Reception we will continue to learn about Queen Elizabeth II and important events during her life.

We will also have a special visit from Zoo Lab! We will have the opportunity to meet, hold and learn about minibeast and creatures!

In Maths, we will be learning about double numbers and continue to explore and represent patterns within numbers up to 10.

What have we been learning last week?

Well done for everyone's amazing efforts with behaviour and attitudes towards learning. This week, our happy leaves go out to:

RA: Farheen - for making exceptional progress in her phonics and having a wonderful attitude towards learning. Farheen you are blooming, well done!
RB: Araiz - for making a huge effort in phonics lessons and trying his best to blend CVC words, well done Araiz!
