Year 1 Newsletter

This week...

This term we are focusing on 'Global Treasures'. The children will be doing lots of exciting learning. We would like to encourage all children to come to boost attendance across the year group!

It is statutory that your child comes to school everyday. Keep up the great progress Year 1!

Our learning this week:

In Maths, we will be learning about fraction and how to share into equal parts. Can you help your child share into halves and quarters?

In Science, we will be identifying common wild and garden plants. Have a look on the way to school what type of plants can you see?

In R.E., as theologians, we will be learning about the different ways Christians belong to their religion.

In History, we will continue learning about old toys! We will compare old Victorian toys to the toys we play with now.

In DT, as engineers, we will be creating a lever and slider to demonstrate how they work.

In RSHE, we will be talking about confidence and how can I show a can-do attitude?

Don't forget...

- **Virtual parents information meeting Thursday 19th May at 8.15am.**
- **Read everyday for 10 minutes.** We will be giving out reading books and reading journals. We expect all children to have read everyday with a comment written in their books.
- **Fit Friday will be carrying on as usual on Friday**, again children must come to school wearing Fit Friday t-shirts and trainers.
- **P.E. day is on Thursday.** Please wear black bottoms and a white t-shirt.
- Bug Club and Mathletics is still mandatory for 5 or 10 minutes daily, on a Friday each class will announce their Bug Club and Mathletics champions. Please encourage your child to read as it builds their confidence and vocabulary.
