Year 4 Newsletter

STAR moments

Even though the children had a short week last week they have been incredibly busy. They have begun to write written and some fantastic play scripts and will use these to show off their acting skills. The children have really enjoyed Design and Technology lessons this week and we are very impressed with their designs of Roman chariots. Thank you for your support with the home learning on Thursday, the portraits of Queen Elizabeth are fantastic!

Ask your child what they have learnt and enjoyed this week.

Our happy leaf recipients for support are:

4H: Viviane

4R: Lena

4L: Sami

This week's learning:

This week's learning will see the children complete the first cycle in their English lessons. They will be learning more about the Romans and completing their playscripts ready to type up on Google slides as part of their computing outcome. In maths, the children will complete the topic on money and prepare for the next topic on mass. As scientists we will continue learning about humans and this week we will create our own 3D digestive systems. In History we will be using the Now PressPlay interactive resource we have to learn more about Roman Britain, the Roman army, Boudicca, the legacy of the Romans and the Iceni rebellion. Our Spanish lessons continue to be enjoyed by everyone in Year 4, class teachers and T.As are learning the language alongside the children. Ask your child what Spanish they know, we have been learning how to spell our names using the Spanish alphabet. A very busy week is ahead for the children and alongside these lessons they will be reading, learning spellings, times tables and in laughology all about self confidence and support. This week we will be asking the children why they are awesome and how they can show this in their body language.

In P.E. the children will start with athletics and will be developing their skills in the art of running consistently and smoothly at different speeds. This will continue alongside music on a Tuesday morning where all children are expected in school in the correct P.E. kit. On Friday the children will visit another local school to participate in another rehearsal for Festival of Voices. This time we need to go on the DLR for 2 stops to West Silvertown. A letter will come out on Monday through Parent Mail. We have a very busy half term ahead and it is important children attend school everyday.

Don't forget!

As the weather is getting warmer, you are aware children are allowed to bring a bottle of water into school everyday to help them stay hydrated throughout the day. Please do not send your child to school with a glass bottle as they are very easily smashed when dropped.

The children will continue to participate in P.E. and music on Tuesday mornings and all children will be expected to attend school in their P.E. kit which they will wear for the whole day. Fit Friday will also continue and again children are expected in school wearing their Fit Friday t - shirts.

Over to you...Home learning

Please remember to carry on with Mathletics, Times Tables RockStars and Bug Club and to work on spellings that are sent home each week. We have now decided to allow the children to bring a book bag to school everyday as this fits nicely in their tray. The children will bring home a reading book everyday for you to read together and they should bring that same book to school every day so that they can read with their teacher or T.A.

Keep in touch!
