## This week's learning...

This week we have a very exciting week. Nursery will be going on a teddy bear's picnic trip to **Star Park**. We will be exploring summer and the changes the season brings. We will be focusing our communication and language skills and describing what is all around us. We also aim to build upon our love for reading as there will be storytelling opportunities built into the trip too.

## STAR moments...

Look what we have been up to:

"That's my name"  
Azzahra

"I made scissors"  
Annabel

The children were super excited to have a visit from zoo lab and look at many crawly creatures.

This term we are focusing on self-confidence. The Happy leaf goes out to **Chace AM / Muqtadin PM** for being super brave when touching the snail.

## Over to you... Home learning

This term's topic is Global Treasures.

You can use this topic as an opportunity to talk to your child about which apps are safe and appropriate for them to use.
