

Week beginning

16/05/2022

Reception Newsletter

This week's learning...

This week in Reception we will continue to learn about Queen Elizabeth II and important events during her life.

We will also be learning about different types of materials, their properties and what they are used for.

In Maths, we will be learning about halving and sharing. We will learn to halve sets of items and even numbers by sharing into 2 equal groups.

STAR moments

What have we been learning last week?

I am helping my new friend to learn English!

I have 1 point! One more than 1 is 2!

We love Now Press Play!

We learnt about rats, tarantulas, frogs, cockroaches and African snails!

We are using mirrors to find doubles.

Tarantulas are scary but I am learning to be brave!

Well done for everyone's amazing efforts with behaviour and attitudes towards learning. This week, our happy leaves go out to:

RA: Alfie - for growing in confidence with his peers and teachers and for always putting his hand up during class discussions. Well done, Alfie!

RE: Emma - for always trying her best in her phonics lessons and for being a fantastic learning partner. Well done, Emmal!

RS: Omari - for increasing his focus during writing activities, trying his best and being able to hold and write a sentence. Well done, Omari! Keep it up!

Don't forget!

- **Important! Please ensure your child brings their reading folder into school every day. It is also very important that you read with your child every single day!**
- **Login details** for Mathletics and Bug Club can be found in your child's reading record.
- Your child must wear their **PE kits** on Mondays and Fridays.
- A gentle reminder that school starts at **7:50** and gates open for home time at **13:50**
- Now that the weather is getting warmer, ensure your child is wearing appropriate clothing and sunscreen. They can also bring in a sun hat, as some of their learning happens outdoor as well.
- **Parents Informative Meeting (PIM) - Friday, 20th May 8.15 - 9.15. This will be a virtual meeting.**
- **Buckingham Palace Trip - Monday 23rd May** - parents, please register your interest in volunteering via our email address: reception1@star.newham.sch.uk

Over to you... Home learning

- Make sure to log on to Mathletics and complete the work assigned to you each week!
- Continue to improve your reading skills by logging onto Bug Club each day (sadly, very few children have been doing this).
- Please use the reading record provided to record each time you read with your child.
- Complete the homework in your reading folders by Friday!

Mathletics
