

Dear Parents,
I have had a few conversations with parents this week in which you have expressed how proud you were of your child and so pleased with their progress so far. It was lovely to hear this. The relationship between school and parents is vital. Thank you for all your support and please continue reading with your child and completing home learning tasks over the summer term.

Parents I also need your help with supervising your child's online activity. Primary school children should not be accessing social media. Please check the age restrictions for different apps. You can find more information about this on our school website.

Wishing you all a pleasant weekend.

Best wishes
Ms Von

Nursery Teddy Bear Picnic

Children were thrilled to have a teddy bear picnic. We focused on healthy snacks and listened to the story read aloud. Children showed great listening skills and discussed which foods makes us strong. Thank you to all the parents that joined us.
