

Week beginning

23/05/2022

Reception Newsletter

This week's learning...

What a busy half term we have had! We can't believe we are coming to the end of May already!

In Maths this week, we will be learning to recognise and understand odd and even numbers. We will be exploring the sequence of odd numbers from 1 and even numbers from 2.

After a fantastic half term learning all about the Queen, we are really excited about the Platinum Jubilee Celebration happening at Star Primary School on **Friday 27th May**.

- Gates will open at 12:45 for parents to join.
- We kindly ask children to donate cakes on the morning of the event.
- We will be celebrating a Red, White and Blue Day so please wear these colours to school.

This will be a great opportunity to celebrate and show off how much we have learnt about Queen Elizabeth II!

STAR moments

What have we been learning last week?

I am learning to hula hoop!

We are making our own number line

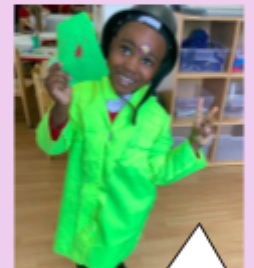

I am using my sound mat to help me write a sentence!

We are writing about the Queen!

We are working as a team to put the events on Queen Elizabeth's timeline.

I am a police officer!

Well done for everyone's amazing efforts with behaviour and attitudes towards learning. This week, our happy leaves go out to:

RA: Tozbeeh - for being an absolute joy to have around! You are such a kind play partner and always use kind words to cheer up your friends and teachers!

RE: Amber - for always being one of the most helpful members of the class and for being a fantastic role model for other children!

RS: Amaora - for settling in so quickly and always coming in with a positive attitude towards learning, her friends and teachers! Well done, Amaora!

Don't forget!

- **Important! Please ensure your child brings their reading folder into school every day. It is also very important that you read with your child every single day!**
- **Login details** for Mathletics and Bug Club can be found in your child's reading record.
- This week, **PE day has changed to Thursday**. Please ensure your child is wearing the correct PE kit on this day.
- Now that the weather is getting warmer, ensure your child is wearing appropriate clothing and sunscreen. They can also bring in a sun hat, as some of their learning happens outdoors.
- Please ensure your child is coming to school with their own water bottle in order to stay hydrated.
- **Friday 27th May** - Please come to school wearing red, white and blue for the Queen's Platinum Jubilee celebration! We are also kindly asking for donations of cakes!

Over to you... Home learning

- Make sure to log on to Mathletics and complete the work assigned to you each week!
- Continue to improve your reading skills by logging onto Bug Club each day (sadly, very few children have been doing this).
- Please use the reading record provided to record each time you read with your child.
- Complete the homework in your reading folders by Friday!
