This week...

As we approach the end of the half-term, we'd like to say a massive WELL DONE to each and every Year 1 pupil! You have worked so hard and it has really paid off. We can see the difference in your attitude for learning and how much progress you have made. Remember to have a fantastic break, hopefully with lots of sunshine and try to get outdoors if you can! You will need a lot of brain power for when you come back to school in the last Summer half-term, as we have our *Phonics Screening Test*, so do try to practice your reading and sounds!

Our learning this week:

In Maths, we will be introduced to telling the time!
In Science, we will be looking at our observations from growing our bean plants and inputting the heights we have recorded into a graph.
In R.E, we will be looking at why Dedication is important for Christian families.
In History, we will continue learning about old toys and how they are different to our ones. We will reflect on our big question and add to our thinking frame.
In DT, as engineers, we will be evaluating the toys we have made!
In RSHE, we will be thinking about how to listen when people need help.

Don't forget...

- **Read everyday for 10 minutes.** We will be giving out reading books and reading journals. We expect all children to have read everyday with a comment written in their books.
- **Fit Friday will be carrying on as usual on Friday**, again children must come to school wearing Fit Friday t-shirts and trainers.
- **P.E. day is on Thursday.** Please wear black bottoms and a white t-shirt.
- Bug Club and Mathletics is still mandatory for 5 or 10 minutes daily, on a Friday each class will announce their Bug Club and Mathletics champions.Please encourage your child to read as it builds their confidence and vocabulary.
