

Week beginning

23.05.2022

Year 5 Newsletter

STAR moments

This week's happy leaves go to:

5R: Ethan, for continuously engaging in his learning, demonstrating independence, respect and support. Ethan is a great role-model and supports his peers constructively. An asset to 5R!

5T: Radost, for supporting her own learning. She has become and more active student and will now confidently ask questions and seek help.

5P: Aprly, for demonstrating 'support' on a daily basis. She is always willing to help her peers when needed and is very patient with others when supporting them. Keep it up Aprly!

Half term home learning projects will be shared with your child via Google Classroom.

Our topic is Global Treasures!

As mathematicians, this week children will be exploring and solving a range of problems involving angles and investigating the different types of angles inside regular polygons.

As readers, the children will continue following the adventures of Gunner the 'Viking Boy' as he faces difficult situations.

As writers, the children will be editing their non-chronological report with the help of their peers. They will have the opportunity to improve each section in their report and identify ways more ways to engage the reader.

As historians, the children will be recapping about why the Anglo-Saxons and Vikings settled in Britain and how this has had an impact on the way we live over time.

In computing this week, children will have the amazing opportunity to create virtual theatres. Children will be writing a scene from history based on the Vikings and King Alfred. They will then use the Chatterpix app and iMovie to create a virtual theatre performance.

As engineers, the children will be constructing a motorised catapult similar to those used in battle by the Anglo-Saxons.

Friday 27th May

Please join your children at 12:45 for an afternoon of cake and games to celebrate the Queen's Jubilee. Please note that your child will only be dismissed at 2pm. Don't forget to wear RED, WHITE AND BLUE!

Don't forget!

PE is on Wednesday so you need to come into school dressed in your P.E. kit with black trainers!

Fit Friday is on Friday so you need to come into school dressed in your Fit Friday kit with black trainers!

Could we kindly ask parents to donate cupcakes/cakes for the Queen's Jubilee celebrations.

As the summer weather approaches, more pupils are enjoying Star Park before and after school. We have noticed that some of the behaviours from our pupils are not representing Star Primary in the best light. Please support us in talking to your child at home about how to play sensibly and safely in the park. Please inform your Year Group Leader or child's class teacher if you have any concerns.

May Half Term:

School will close on Friday 27th May and reopen on Monday 6th June.

Over to you...Home learning

Don't forget to log on to Mathletics and complete the work assigned to you each day!

Continue to improve your reading skills by logging onto Bug Club each day. Remember to share a chapter from your favourite book with someone at home too.

Strive to achieve your bronze, silver or gold awards on Times Tables Rockstars too.

Keep in touch!
