Year 6 Newsletter

STAR moments

Golden Lunch

This week's Golden Lunch pupils are:

6E: Elizabeth, 6S: Artemis 6R: Martyna

This week's Happy Leaves are awarded to:

6E: Leon for supporting his partner while they were creating a non-chronological report about the Maya civilisation on Book Creator. He knew how to use the different features effectively and gave some good advice.

6R: Sumaya for supporting her peers when working collaboratively. Sumaya sets very high standards for herself by taking pride in her learning and she therefore, inspires others to also be successful in their learning. She engages in meaningful conversations that support others to complete their work to a high standard and be proud of their achievements. This was particularly evident during our work on the Maya civilisation.

6S: Diana for recognising when she needs the support of an adult and having the confidence to ask. Diana has made an increased effort to practice speaking more English in the classroom, and as a result she was able to go up a book band colour this week. Keep it up Diana!

P.E is on Thursdays so please come to school dressed in your P.E. kit with black trainers.

Rights Article 31:

(Leisure, play and culture)

Every child has the right to relax, play and take part in a wide range of cultural activities.

Our new topic is Healthy Hearts.

This unit celebrates physical and mental wellbeing.

Shared Reading: This week we will begin to read our new book called The Bubble Boy about an eleven year old boy called Joe who is in hospital but has super-hero sized dreams.

English: We will be reliving our writing reflections on our best memories at Star and compiling our own individual sections for our end of year Yearbook.

Maths: We will be working on algebra by finding missing numbers in equations and substituting numbers and their values.

Science: We will be investigating the circulatory system and how the heart transports blood and nutrients around the body. We will be carrying out some fun practical investigations to find out more about how our bodies work.

Geography: We will be exploring the impact that humans have had on the local area by going on a local walk and comparing the human and physical geography of the area.

RE: We will be having an exciting RE day on our return to school, where we will explore topics such as: creating modern religious icons, reflecting on how religious music makes us feel, analysing the usefulness of drama in religion and considering the different ways in which religions express their faith.

Computing: We will be looking at the purpose of common systems that regulate age related content online.

DT: We will be looking at what makes a traditional British dish!

RSHE: We will be revisiting our previous lessons on sexual harassment and reminding ourselves of what is acceptable and unacceptable behaviour and how we can report it.

May Half Term:

School will close on Friday 27th May and reopen on Monday 6th June.

Geography Fieldwork - Friday 10th June

We will be going on short local walk to carry out some fieldwork on the human and physical geography of the local area. The walk will take place in the morning and we will return to school before lunch time. Normal school routines apply such as wearing school uniform and arrival and end of day times.

Over to you...Homework

Queen Elizabeth's Platinum Jubilee Homework Project

To celebrate the Queen's Platinum Jubilee and her 70 year reign, you have a special royal Half Term Homework Project to complete over the half term holidays. This homework will be shared with you through Google Classroom and Parentmail.
