

Week beginning

13/06/2022

Reception Newsletter

This week's learning...

This week in Reception we will be continuing to learn about how to keep our bodies healthy. We will learn about hygiene and why it is important to brush our teeth regularly.

In Maths, we will be learning to describe and compare different capacities. Children will experience measuring to estimate the capacity of containers and the volume of liquids held in containers.

We will also be learning about Father's Day and celebrating the fathers and important men in our families!

STAR moments

What have we been learning last week?

In Maths, we learnt how to use a rekenrek to help us count.

We are painting different types of fruit!

We are making a healthy salad!

We are learning to handle and control a knife with great care.

I am writing numbers on the hopscotch.

Well done for everyone's amazing efforts with behaviour and attitudes towards learning. This week, our happy leaves for SUPPORT go out to:

RA: **Tozbeeh** - for being an absolute joy to have around! You are such a kind play partner and always use kind words to cheer up your friends and teachers!

RB: **Zackariya** - for always being incredibly supportive of his learning partner as well as generally in the Reception setting. What a fantastic role model!

RS: **Solma** - for offering support to her learning partner during maths sessions.

Don't forget!

- **Important! Please ensure your child brings their reading folder into school every day. It is also very important that you read with your child every single day!**
- Now that the weather is getting warmer, ensure your child is wearing appropriate clothing and suncream. They can also bring in a sun hat, as some of their learning happens outdoors.
- Please note that in the week commencing 20th June, the **PE day will be changed to Thursday**. Please ensure that your child is wearing the correct PE kit on this day.
- Important dates to remember:
 - Rock Star Day - Friday 24th June.
 - Reception's Sports Day - Thursday 30th June.

Over to you... Home learning

- Make sure to log on to Mathletics and complete the work assigned to you each week!
- Continue to improve your reading skills by logging onto Bug Club each day (sadly, very few children have been doing this).
- Please use the reading record provided to record each time you read with your child.
- Complete the homework in your reading folders by Friday!
