

Week beginning

20/06/2022

Reception Newsletter

This week's learning...

This week in Reception we will be continuing to learn about how to keep our bodies healthy. We will be talking about our mental health and the importance of keeping our brains and minds healthy too!

This week is Outdoor Maths Week and we are very excited that ALL of our maths lessons will be carried out in different outdoor areas around the school! Our focus is on data and we will be learning how to collect and represent data sets.

Friday is ~~Rockstar Day~~ to round off Outdoor Maths week! We want you all to get your best rockstar outfits out and come into school to celebrate this wonderful day! You might even get your inflatable guitar out with your rockstar hairstyle and accessories to bring out the inner rockstar in you! We can't wait to see all your wonderful rockstar Looks and rock out in style!

STAR moments

What have we been learning last week?

D D Daddy!

We have been learning about healthy eating - we made a salad!

We are looking at volume and capacity

Look at my muscles, I'm so strong! I'm upside down!

We are working together to stack the cups.

We are playing teachers. In this maths lesson we will help Craig the Cricket count to 20.

Well done for everyone's amazing efforts with behaviour and attitudes towards learning. This week, our happy leaves for SUPPORT go out to:

RA: **Alizoa** - for always being incredibly supportive of her peers in the outdoor area as well as on the carpet with her talk partner. What a fantastic role model!

RB: **Frankie** - for being a very kind and supportive friend to our new boy Zephaniah by making sure that he is happy and safe in the outdoor area! What a lovely friend.

RS: **Cesar** - for supporting his friends during play activities.

Don't forget!

- Remember this week, **PE day will be changed to Thursday (23rd)**. Please ensure that your child is wearing the correct PE kit on this day. NOT on Monday the 20th.
- Important! Please ensure your child brings their reading folder into school every day. It is also very important that you read with your child every single day!**
- Now that the weather is getting warmer, ensure your child is wearing appropriate clothing and suncream. They can also bring in a sun hat, as some of their learning happens outdoors.
- Important dates to remember:
 - Rock Star Day - Friday 24th June.
 - Reception's Sports Day - Thursday 30th June.

Over to you... Home learning

- Make sure to log on to Mathletics and complete the work assigned to you each week!
- Continue to improve your reading skills by logging onto Bug Club each day (sadly, very few children have been doing this).
- Please use the reading record provided to record each time you read with your child.
- Complete the homework in your reading folders by Friday!
