STAR moments

Our highlights from this week:

We are super excited to tell you that every year 3 child will be receiving a copy of Marcus Rashford's co-authored book 'The Breakfast Club Adventures.' Please support your child with reading and exploring this exciting book! The following pupils have been awarded the happy leaf this week:
In 3P our happy leaf goes to Haseeb for beginning to take ownership of his learning and having the confidence to try and challenge himself in terms of what he can do.
In 3H our happy leaf goes to Rohan. Rohan has developed his confidence over the year especially in English. He is also a very supportive member of 3H especially with his partner in maths.
In 3T, our happy leaf goes to Zubair. Zubair has been making a real effort to join in class discussions and

Well done to all our Happy Leaf recipients this week!

This weeks learning..

In Shared Reading we will be continuing to look at Jim's Lion, in this part Jim has ventured to his happy place and is looking for his animal helper.

-In English we will be creating explanation and instructive texts. This week we are exploring what an should go into an exploration text and how we can invent our own version.

-We have an exciting week ahead in Maths!! The focus in Maths will be **OUTDOOR MATHS** where will explore using and applying Maths skills in a creative manner. We will also be doing revision of Maths Concepts taught to prepare for the tests .

-In Science we will be having a double feature this week to really understand our skeletons! First we will learn about the three purposes of the skeleton and its workings. Then we will have a fantastic opportunity to look at skulls from different animals and recognise that the different shapes reflect the different purposes the animals use them for.

-In DT we will be using continuing to explore different types of food and how we can balance a healthy plate. We will begin to plan for creating our own sandwiches by taste testing ingredients to use in our own sandwiches.

-In Computing we will be coding our way into creativity. We will write our own code before offline and online. What a great way to end the year.

-In RE we will be exploring how symbols and sayings are important in religion.

- In RSHE we are learning about what self confidence looks like.

The Head teacher Golden Table

A child from each class will be selected to have a special lunch with our head teacher, Ms Von on a Friday!
These children will display positive attitudes to learning in their lessons and in their independent work. They will also make an excellent effort in their handwriting and presentation in their independent work.
Well done to Rylee in 3T, Isabella in 3P and Kevin in 3H for your hard work!

Don't forget!

At Star we want our children to take pride in their appearance and presentation. Star children must proudly wear their Star uniform to school every day. Long hair must always be neatly tied back. Children must not wear jewellery to school. Trainers can be worn on Wednesday for PE and Friday for FIT Friday. A polite reminder to please ensure your child comes to school in the correct uniform (black trousers or skirt, white polo and a red Star jumper and black school shoes) Children must presented well each morning.

Please read as often as you can at home, at least **3 times a week** and remember to **bring in your reading pack everyday to change your book** and receive your weekly spellings.
Please ensure your child arrives promptly at School in the mornings at **7.50am**.

Over to you...Home learning

Don't forget to log on to Mathletics and complete the work assigned to you each day!
Continue to improve your reading skills by logging onto Bug Club each day. Remember to share a chapter from your favourite book with someone at home too.
Strive to achieve your bronze, silver or gold awards on Times Tables Rockstars too.
As well as this, we have a new way for you to access your spellings at home!
Go to <https://www.oxfordowl.co.uk/> and 'class login' .
