

Week beginning

20.06.2022

Year 5 Newsletter

STAR moments

This week's happy leaves go to:

5R: Darcie, for her flourishing self-confidence across the year. She is more confident in working independently and is able to get on with challenges using the resources around her for support. Well done Darcie!

5T: Abubacarr, for being such a helpful and determined member of our class. Even when feeling under the weather, he was able to try his best in his English lesson.

5P: Adele, for working really hard with her group and supporting them with building their k'nex buggy as well as taking on the lead role when necessary. She would be an excellent engineer in the future! Well done Adele!

This week's learning...

In Year 5 for English, Reading and Maths we will be revising content that we have learnt since September and revisiting key concepts. This is because we will be completing our final SPAG, Reading and Maths assessments. Don't worry, this will be the children's end of year assessments and we are positive that they will perform really well!

In D&T, the children will be making their own bread by following a simple recipe. During these lessons the children will gain valuable cooking skills related to measuring out ingredients, kneading and baking.

As artists, children will have the amazing opportunity to create their very own bread bins! They will start the journey by gathering research and creating a digital report about where bread bins came from; the purpose of bread bins; why they are used in daily lives and where they originated from.

The next leg of the journey will allow the children to design their very own bread bin based on the research they have gathered!

After this, they will embark on creating and making their bread bin using clay and implementing the coil technique in their design.

Finally, the children will then have the exciting opportunity to paint their bread bins so they are able to use them when they make their very own bread later in the term.

Don't forget!

PE is on Wednesday so you need to come into school dressed in your PE kit with black trainers!

Fit Friday is on Friday so you need to come into school dressed in your Fit Friday kit with black trainers!

School starts at 7:50am each morning and finishes at 2pm each day.

Don't forget to wear your school uniform.

Over to you...Home learning

Don't forget to log on to Mathletics and complete the work assigned to you each day!

Continue to improve your reading skills by logging onto Bug Club each day. Remember to share a chapter from your favourite book with someone at home too.

Strive to achieve your bronze, silver or gold awards on Times Tables Rockstars too.
