

Week beginning

27/06/2022

Reception Newsletter

This week's learning...

This week in Reception we will be learning about the life cycle of caterpillars and we will watch them metamorphose into butterflies.

During our maths lesson, we will be learning about money. We will recognise 1p, 2p, 5p and 10p coins. An use a combination of these to pay for items.

We will also continue to learn about the factors that contribute to our body being healthy. This week we will focus on mental health during a Now Press Play activity.

On Thursday, you are all invited to attend Reception's Sports day. The day will promote all children taking part and supporting others as well as fair play and healthy, active lifestyles.

STAR moments

What have we been learning last week?

We loved dressing up for Rockstar Day!

I am a rockstar!

We are making a tally chart to find out the most popular fruit!

We made a pictogram using PE equipment!

RS representatives worked hard to answer maths questions during RockStar assembly. Well done!

Look, a caterpillar!

Well done for everyone's amazing efforts with behaviour and attitudes towards learning. This week, our happy leaves for SUPPORT go out to:

RA: **Yarah** - for always being incredibly supportive of her peers in the outdoor area as well as on the carpet with her talk partner. What a fantastic role model!

RB: **Frankie** - for being a very kind and supportive friend to our new boy Zephaniah by making sure that he is happy and safe in the outdoor area! What a lovely friend.

RS: **Inaya** - for using the classroom environment and resources to support her learning.

Don't forget!

- Please ensure your child brings their reading folder into school every day. It is also very important that you read with your child every single day!
- **Please complete the homework that is being sent home every Monday and return it on the Friday!**
- Now that the weather is getting warmer, ensure your child is wearing appropriate clothing and suncream. They can also bring in a sun hat, as some of their learning happens outdoors.
- **Parents, you are invited to attend Reception's Sports Day on Thursday, 30th June, 1 - 2 pm.** Please make sure your child is wearing their **PE KIT** on the day.

Over to you... Home learning

- Make sure to log on to Mathletics and complete the work assigned to you each week!
- Continue to improve your reading skills by logging onto Bug Club each day (sadly, very few children have been doing this).
- Please use the reading record provided to record each time you read with your child.
- Complete the homework in your reading folders by Friday!
