1P: Daniel

1R: **Angel**

1V: Daniel

## This week...

Wow! What great learning experiences the children had last week: Outdoor Maths week, Barleylands Farm and Rockstar Day! See below for some pictures.

### Our learning this week:

**In Maths**, we will be completing some end of year assessments as well as starting a new topic on volume and capacity.

**In Science**, we will be conducting a pea investigation. Using the story of The Princess and the Pea as inspiration, we will be using our sense of touch to see how many layers of material it will take before we can feel a pea.

**In R.E.**, we will be learning about why Krishna is an important figure in the Hindu faith.

**In Geography**, we will be doing some orienteering. How exciting! We will be using a compass and map to locate checkpoints around the school.

**In DT, as engineers**, we will be creating fruit and vegetable skewers. Maybe at home you could research where some of the fruits and vegetables we eat come from e.g. strawberries, kiwis, oranges and bananas.

**In RSHE**, we will be thinking about the importance of completing tasks independently. This week, give your child a challenge of completing a small task on their own e.g. washing up their plate, making their bed, or getting dressed independently. You can do it Year 1!

## Don't forget...

- **Read everyday for 10 minutes.** We will be giving out reading books and reading journals. We expect all children to have read everyday with a comment written in their books.
- **Fit Friday will be carrying on as usual on Friday**, again children must come to school wearing Fit Friday t-shirts and trainers.
- **P.E. day is on Thursday.** Please wear black bottoms and a white t-shirt.
- Bug Club and Mathletics is still mandatory for 5 or 10 minutes daily, on a Friday each class will announce their Bug Club and Mathletics champions. Please encourage your child to read as it builds their confidence and vocabulary.

## Over to you...Home learning

The teachers will continuously be providing online opportunities for reading, phonics and maths. We are checking who is logging on every week!

Pupils must:

- Log on and use **BUG CLUB** daily  
(please also read and share any extra books you have at home)
- Log on and use **MATHLETICS** daily
- Play and complete any additional material/videos sent you via the google classroom. **Phonics session videos** will be sent regularly.
- Extra RWI phonics -
