

# Week beginning

## 27/06/22

# Year 2 Newsletter

On Wednesday we will be having our fun DT day of pizza making. Make sure you are in on time so we can start the fun straight away! On Thursday we will have the Year 2 sports day. Please make sure you are wearing your PE kit and have a good night sleep and a healthy breakfast to start the day off! Finally, a huge well done to Fred (2S), Theo (2P) and Helen in (2V) for being selected for this weeks Golden Lunch!

## Star Moments

This term our happy leaves will focus on Support.  
This week our happy leaves go to:

**2S: Rania,** You have been fantastic for making sure that you get the correct support so that you can understand the task fully. You are also a great helping hand to everyone in class. Thank you so much!

**2V: Ismoil,** You are our happy leaf winner because you have been making a special effort to be a kind and supportive class member both inside and outside the classroom. You have also been trying really hard to improve your work presentation. Well done Ismoil!

**2P: Ayan,** you supported your peers during our Art lesson (making pizza plates using clay). You supported your peers to roll out their clay and you were able to explain to them what they should do next. You are a teacher in the making, Ayan! Well done and keep it up!

Congratulations to the children who got the happy leaves this week! We are very proud of your resilience and dedication to your education!

## Our learning..

This term our topic is **HEALTHY HEARTS**. This week in year 2 we have lots of exciting lessons planned...

**English:** In English we will be starting the second writing cycle which is all about writing instructions for recipes! Children will practice using instructional language in their writing to explain all the steps required to make a pizza!

**Maths:** In Maths, children will be responding to word problems involving multiplication. Children will also have the opportunity to create their own multiplication word problems.

**Science:** In Science we will be looking at hygiene and how to keep ourselves clean.

**Geography:** In Geography pupils will be learning to use grid references in maps. This is an important skill needed for effective map reading.

**RE:** In RE we will be summarising and consolidating all the learning pupils have done on special books.

**DT:** In DT children will have the exciting opportunity to make their own healthy pizzas! This will involve tasting and testing the toppings beforehand, before deciding which toppings they want for their pizza!

P.E and Music is scheduled for Tuesday afternoon this week as normal, so remember to come dressed in your correct PE kit. If you are unsure, check the uniform policy on Star's newly designed website or ask your teacher.

Please continue to encourage your child to complete their tasks on our online learning platforms including Mathematics, Bug Club and Times Table Rockstars. While these tasks can be independent, please try and read with your child every day.

# Don't forget!

Children will be given weekly spellings to practise for 5 minutes each night. They will be tested on Friday and scores will be placed in their reading records. We politely ask children to also complete the 'Question of the Week' which needs to be handed in to their teachers on Friday. Please continue to encourage your child to complete their tasks on our online learning platforms including Mathematics, Bug Club and Times Table Rockstars.  
P.E is on Tuesdays - please wear your PE kit to school. Fit Friday is every Friday.

## Home learning

Please remember to read every day with your child and keep a record in their Reading Record Books. Children will be sent home with books and will be asked to keep them in their book bags which they can now bring to school daily. Children will also be given weekly spellings and their 'Question of the Week' which needs to be completed by Friday!

By the end of all Year 2 children need to know your 2,5 and 10 times tables by heart. So, please log in to Mathematics and TTRS to help you secure a Bronze Badge before the end of this academic year!

Our fun Online Spelling platform can also be used to build on our spelling strategies.  
<https://www.oxfordowl.co.uk/> Read all your books at home? No problem! Don't forget about the E books and E Audio books!
