PRESENTS

ROCK STAR DAY

Friday 24th of June

We are delighted to announce that we will be celebrating Rock Stars Day on Friday the 24th of June. Inspired by our Times Tables Rockstars app, we would love to see children come to school dressed as a rock star to really immerse themselves in a day of maths inspired fun! The children will take part in special activities on this day which will include an exciting year group assembly where the children's times tables knowledge will be put to the test!

This day forms part of our exciting Outdoor Maths Week where all the children will have opportunities to enjoy maths outside of their classroom. Maths is truly all around us!

Dressing up suggestions

Why not spike up your hair, wear a headband or bring in your totally rockin' sunglasses? You may have a great pair of stripy trousers or leggings that would be great too!

Please ensure that the children do not wear revealing clothes or inappropriate footwear such as flip flops or sandals.
