

Week beginning

04/07/2022

Reception Newsletter

This week's learning...

This week in Reception we will continue to learn about the life cycle of caterpillars and we will be making predictions about what we think will happen to the caterpillars next.

During our maths lessons, we will be solving word problems. We will be thinking about real life scenarios and applying our maths skills to answer them.

As part of our DT learning, we will be learning how to mould and sculpt clay so that we can make caterpillars!

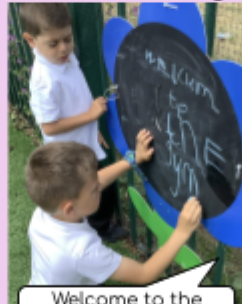

STAR moments

What have we been learning last week?

We listened carefully to Now Press Play and learnt all about healthy eating!

Welcome to the gym!

We are making healthy sandwiches.

We are learning about money!

We really enjoyed Sports Day and working together as part of a team!

I am making a caterpillar picture!

Well done for everyone's amazing efforts with behaviour and attitudes towards learning. This week, our happy leaves for SUPPORT go out to:

RA: **Adol** - for offering support to his learning partner during carpet sessions.
RB: **Lily-Groce** - for being incredibly supportive to one of her friends whilst they were upset - well done for getting them a tissue and some water. What a lovely friend you are!
RS: **Roza** - for being a fantastic learning partner, always supporting them during learning and play activities. Well done!

Don't forget!

- **Please ensure your child brings their reading folder into school every day. It is also very important that you read with your child every single day!**
- **Please complete the homework that is being sent home every Monday and return it on the Friday!**
- Now that the weather is getting warmer, ensure your child is wearing appropriate clothing and suncream. They can also bring in a sun hat, as some of their learning happens outdoors.

Over to you... Home learning

- Make sure to log on to Mathletics and complete the work assigned to you each week!
- Continue to improve your reading skills by logging onto Bug Club each day (sadly, very few children have been doing this).
- Please use the reading record provided to record each time you read with your child.
- Complete the homework in your reading folders by Friday!

Keep in touch!
