

Week beginning

11/07/22

Year 2 Newsletter

As we come towards the end of the year, please could you have a good look around your homes and make sure that all the reading books have been sent back to school. All the books need to be back in school by Friday 15th July. Thank you!
A huge well done to Bogdan (2V), Sara (2P) and Gabriel for being selected for this weeks Golden Lunch!

Star Moments

This term our happy leaves will focus on Support.
This week our happy leaves go to:

2S: Arhem, has been a super supportive mathematician. During the guided practise and in the independent task Arhem is willing to help children on his table to complete their work. He explains the method to allow them to still figure the answer out independently! Well done Arhem!

2V: Hareem, well done for being a supportive member of the class who is always kind and respectful towards others. You are a joy to have in the classroom.

2P: Beau, you have been super supportive to your peers in 2P all this year! It has been wonderful to see you growing in confidence this year and this has allowed your supportive trait to shine through! You're always ready to support the adults as well so thank you for being so considerate Beau!

Congratulations to the children who got the happy leaves this week! We are very proud of your resilience and dedication to your education!

Our learning..

This term our topic is **HEALTHY HEARTS**. This week in year 2 we have lots of exciting lessons planned...

English: In English we will be producing our final Hot Write of the year. (We will be writing a recipe for a pizza using all the features of instructional texts that we've been looking at this unit.)

Maths: In Maths, we will be focussing on our division skills, practising sharing equally and solving simple word problems.

Geography: In our final geography lesson of the year, we will be drawing a map of the school on gridded paper and using grid references to identify our favorite places!

PSHE: In our final lesson of term, the children will be taking part in a Kahoot quiz to check their understanding of self confidence and what it means to be resilient.

Computing: In the final part of our exploration into computer programming, we will be programming Beebots to complete a simple maze that the children have designed. Like all Programmers, the children will have to de-bug their algorithm to make it perfect!

P.E and Music is scheduled for Tuesday afternoon this week as normal, so remember to come dressed in your correct PE kit. If you are unsure, check the uniform policy on Star's newly designed website or ask your teacher.

Please continue to encourage your child to complete their tasks on our online learning platforms including Mathematics, Bug Club and Times Table Rockstars. While these tasks can be independent, please try and read with your child every day.

Don't forget!

Please send all reading books back to school! Deadline is Friday 15th July.

Please continue to encourage your child to complete their tasks on our online learning platforms including Mathletics, Bug Club and Times Table Rockstars.

P.E is on Tuesdays - please wear your PE kit to school. Fit Friday is every Friday.

Home learning

Please remember to read every day with your child and keep a record in their Reading Record Books. Children will be sent home with books and will be asked to keep them in their book bags which they can now bring to school daily. Children will also be given weekly spellings and their 'Question of the Week' which needs to be completed by Friday!

By the end of all Year 2 children need to know your 2,5 and 10 times tables by heart. So, please log in to Mathletics and TTRS to help you secure a Bronze Badge before the end of this academic year!

Our fun Online Spelling platform can also be used to build on our spelling strategies.
<https://www.oxfordowl.co.uk/> Read all your books at home? No problem! Don't forget about the E books and E Audio books!
