## STAR moments

What a fantastic year we have had here in Year 4! The children have had some amazing opportunities to enrich their learning with the highlight being our fabulous performance at the Hackney Empire, a lifetime memory for all the children and families who participated. Our Star of the Year awards go to:

**4H: Felicia**, as she is a fantastic member of our class, hardworking, conscientious, and helpful to others. She embraces school life and enjoys learning, socialising at clubs and eagerly participating in all areas of the curriculum.

**4R: Violet**, who has been extremely hardworking all year. She is kind, considerate and helpful of all those around her, both pupils and teachers. Violet has also been a fantastic rights ambassador in 4R.

**4L: Falak**, for always putting 100% effort into every single opportunity! Falak is not only an amazingly hard worker, she is also very kind and helpful to others and has hugely developed in confidence this year. I cannot wait to see what she does in Years 5 and 6!

## This year's learning..

We can hardly believe this is the final week of the school year and what a successful year all children in year 4 have had! All the adults in Year 4 are so incredibly proud of the children with the way they have worked hard to maintain their learning when working within the classroom and how they conducted themselves when on one of our many educational visits. The children were often praised by members of the public about how polite and well behaved they were. We would also like to say a huge thank you to all the parents for the amazing support you have shown the staff this year too.
