

Weekly Newsletter - 09/09/22

Dear Parents,
It is unusual to start the year on such a sombre note. We are deeply saddened by the news of the Queens passing. Despite this very sad news, it has been a wonderful week here at Star. We welcomed the children back on Monday and have been amazed at how quickly they have settled back into their routines. The children have hit the ground running this year and all week we have focussed on the outcomes and presentation in our books. You will see in this newsletter that we will be holding the Parent Information Meetings soon and we look forward to seeing as many parents as possible. I know that the next year will be challenging for parents with rising energy bills and the cost of living crisis. We will be doing everything we can to support families. Most importantly if children attend school everyday, we can ensure that they have a good meal and anything else that they need to succeed with their learning.

Best wishes
Ms Von

As you would have seen on the news, Queen Elizabeth II has passed away peacefully yesterday. In school we had assemblies this morning to celebrate her long reign as monarch and to remember some of the things she is dearly loved for- the children particularly loved her tea with Paddington Bear as part of the jubilee celebrations. We held a minute's silence to mark the occasion and listened to an instrumental version of God save the Queen. We remembered her sense of duty and loyalty to both the the United Kingdom and the Commonwealth Countries. We now join the country and indeed the rest of the world in mourning her passing but at the same celebrate the start of the reign of King Charles III.

PIMS

We will be starting our PIM meetings as of next week. These meeting are very important as the year group leader will share with you what your child will be learning through the coming term. Uniform

We are pleased to announce that our uniform shop has sold out and all the donated uniform has been sold. We do appeal to any families who have old uniforms in good condition to donate it to the school and they will be recycled on to those who need them. Coats are particularly welcome as the weather is turning colder as well as black shoes in good condition.
