

Pupil Voice + Leadership

Dear Parents,
We have managed to squeeze so much into the four days of this week and I am very proud of how hard everyone has worked. The classroom environments are all looking really amazing and I know that staff are now working very hard on their book corners, ready for the judging in a few weeks time. This week we have started to talk to the children about their learning so far. You can join in this conversation at home by asking them about the 5 agreed strategies to support their learning. We have included a handy guide in this newsletter.

The recycled uniform shop has been a real success and parents have fed back to us how grateful they are for this service. So, if your child has outgrown any uniform but it is still in perfectly good condition, please consider donating it back to the school so that we can offer it to parents. This not only saves money and reduces lost property, but saves our planet as well.

Have a lovely weekend.
Best wishes,
Ms Von

Last week we told you our top 5 priorities for 2022/23 with pupils leadership being one of them. As part of preparing pupils for life in modern Britain and understanding the fundamental **British values of democracy** we held our leadership nominations. Year 6 pupils put themselves forward and presented confidently their reasons to be a pupil leader. Years 5 and 6 had the opportunity to vote for the right candidates and leaders will be announced next week. Thank you pupils for promoting children's rights Rights and respect in your passionate speeches!
