Nursery Newsletter

This week's learning...

We have welcomed many children into the Nursery and they have settled in really well. The children have begun exploring the Nursery environment with curiosity and excitement.

We are so excited to meet more children as they start next week.

We will be modelling to the children the use of many resources provided in the environment and encouraging independence.

We will also begin to focus on class rules and discuss how we look after our toys in the Nursery.

STAR moments...

Look what we have been up to last week:

We are
developing our

We celebrate our achievements every day in Nursery. Read next week's newsletter to find out who will be getting 'star of the day' as well as the happy leaf.

Over to you... Home learning

This term's topic is human rights.

You can use this topic as an opportunity to talk to your child about some of the responsibilities they may have for example tidying up after play.
