

Week beginning

10/10/22

Year 1 Newsletter

STAR moments

GOLDEN LUNCH

Every week a child from each class will be chosen to have lunch with the Headteacher for their outstanding work.

1R: Sara
1T: Mikayeel
1B: Muntaha

This term we will be learning about respect and how it is reflected in our life. Please encourage your child to talk about how they have shown respect at school and at home?

This week Happy Leaves go to :

1R: Alan
1T: Abdullah
1B: Emma

Well done children, keep up the hard work!

Our Learning

This week:

English:

As a writer, we will be continuing our phonics journey using our Read Write Inc books. Children will be learning new sounds, reading and writing everyday. We will also be continuing to explore a new book about Rosa Parks as part of our Shared Reading.

Maths:

As mathematicians, we will learn that subtraction equations can be completed in three ways: by crossing out, by using number bonds and by counting back. They will continue to use manipulatives and pictorial representations to support their understanding and use vocabulary appropriately.

Computing:

We will continue working with our Chromebooks and practice identifying and typing our usernames and passwords to build up our logging in skills. At home, discuss who your child can speak to if they see something online that makes them feel worried or upset.

RE:

As theologians, we will be talking about how a friendship band can be important to a Hindu person and what happens at Raksha Bandhan. At home, can you make a special friendship band for a brother, sister or someone special, using craft materials.

Art

This week in Art children will be creating artwork with charcoal in the style of Jacob Lawrence. Have a look at some of Lawrence's artwork with your child online to help inspire your child's creativity.

Science:

As scientists, we will be exploring weather changes and talking about the different clothes we need to wear for each type of weather. Children will also be looking outside to identify what changes they notice in the environment e.g. the changes in the trees and the temperature.

History:

As historians, we will be talking why Rosa Parks is an important historical figure? Why was it such an 'event' that Rosa Parks sat down on a bus?

P.E and Music is scheduled for Monday afternoon. So, remember to come dressed in your correct PE kit. If you are unsure, check the uniform policy on Star's newly designed website or ask your teacher.

Don't forget...

Make sure your child come to school every day!

- **Read everyday for 10 minutes.** We will be giving out three reading books; an Oxford book, a decodable RWI book and a read for pleasure book. We highly encourage all children to read at home everyday with a comment written in their reading diaries.
- All children must come to school wearing Fit Friday t-shirts and trainers each Friday.
- **Bug Club and Mathletics** is still mandatory for 5 or 10 minutes daily, on a Friday each class will announce their Bug Club and Mathletics champions.

Over to you...Home learning

The teachers will continuously be providing online opportunities for reading, phonics and maths. We are checking who is logging on every week!

Pupils must:

- Log on and use **BUG CLUB** daily
(please also read and share any extra books you have at home)
- Log on and use **MATHLETICS** daily
- Play and complete any additional material/videos sent you via the google classroom. **Phonics session videos** will be sent regularly.
- Extra RWI phonics -
