

Week beginning

10.10.2022

STAR moments

This week's Golden Lunch pupils are:

6V: Brayden 6S: Abubacarr 6R: Apryl 6H: Kian

This week's Happy Leaves are awarded to:

6R: Erik for showing maturity in his interactions with others. Erik has demonstrated that he can deal with tricky situations in class and in the playground with a responsible and solution-focused approach. Erik uses this strength to often see the lighter side of things. Well done Erik!

6V: Kornelija for being kind, friendly and considerate with her peers. Kornelija has shown that she is a fantastic role model. Not only did she complete her tasks to the highest of standards, but also, she managed to explain tasks to her peers during Science and give step-by-step instructions about how to draw scientific diagrams.

6S: Mohamed for his improved focus on his learning outcomes. Mohamed is now really starting to utilise the modelling and key vocabulary provided to him to create powerful and descriptive work! The pride he is now taking in his work is evident. Well done Mohamed!

6H: Phillip for his improved attitude to his learning. Phillip has shown that he is an exceptional mathematician, as well as a writer. But most importantly, that he cares about improving himself as a learner. Really impressed and keep the confidence.

P.E is on Tuesdays so please come to school dressed in your P.E. kit with black trainers.

Rights Article 24:

Every child has the right to the best possible health. Governments must provide good quality health care, clean water, nutritious food and a clean environment and education on health and well-being so that children can stay healthy.

Use SATs Companion daily to develop and improve your Reading, Grammar and Maths.

Your teachers will be assigning tasks for you to complete. Go onto the practice tasks that cover a wide range of topics <https://app.satscompanion.com/login>

Consolidate this week's learning:

Maths: Multiplication - practice your times tables.

English/Grammar: Imperative verbs/pronouns and prefixes.

Year 6 Newsletter

This week's learning:

Reading: We will learn more about the life of Frederick Douglass as well as the Transatlantic Slave trade and answer comprehension questions.

English: We will continue to use the key features of persuasive writing to write our speeches which we will then edit and perform in our classes in preparation for the Black History Speech competition.

Maths: After recapping different methods to carry out multiplication, we will move onto more complex multiplication problems..

History: We will begin to research and plan our biography of Frederick Douglass.

RE: We will be considering the importance of religious buildings.

Computing: We will evaluate different ways in which we can work together online.

RSHE: Our follow up lesson on sexual harassment will be taught this week.

Art Day: We will conclude our work on Leonardo Da Vinci by painting our sketches and then move onto our Black History artist Njideka Akunyili Crosby.

Spanish: We will learn about the vocabulary related to breakfast.

Black History

In preparation for our upcoming Black History speeches, we will be having some Oracy workshops over the next few weeks to help us to perform our compositions using appropriate intonation, volume and expression.
