

Week beginning

03.10.2022

Year 6 Newsletter

STAR moments

This week's Golden Lunch pupils are:

6V: Tianna 6S: Scott 6R: Khadija 6H: Saifan

This week's Happy Leaves are awarded to:

6R: Apryl for being an outstanding role model who is always respectful with impeccable manners in all her interactions. Apryl works hard across her lessons and uses the knowledge organisers to support her learning. Apryl is a budding writer, her recent narrative about Emmeline Pankhurst with ambitious vocabulary has really shown her flair for writing. Well done Apryl.

6V: Daniel for being an exceptional team player during last week's Fit Friday's activity. He was kind and patient as his group formed by different sporting abilities peers could only achieve bands if they cross the finish line together.

6S: Ethan for his positive attitude to learning. He has a real thirst for knowledge and always contributes in lessons and supports others. His recent writing on the narrative about Emmeline Pankhurst has left his peers on tenterhooks each lesson!

6H: Sonny for his great motivation towards his narrative on Emmeline Pankhurst. Despite finding it challenging to start his narrative, Sonny has shown perseverance and focus in creating a great narrative outcome. Well done, and keep on pushing!

P.E is on Tuesdays so please come to school dressed in your P.E. kit with black trainers.

Rights Article 24:

Every child has the right to the best possible health. Governments must provide good quality health care, clean water, nutritious food and a clean environment and education on health and well-being so that children can stay healthy.

This week's learning:

Reading: We will continue to use our comprehension skills to learn more about the life of Frederick Douglass.

English: We will begin our exciting speech making topic by looking at speeches written by Frederick Douglass, and begin to write our own speeches focused on Black History.

Maths: We will be focusing on dividing 3-digit and 4-digit numbers by 2-digit numbers using a variety of methods, including number bonds and long division..

Science: Following on from our investigation on how shadows have the same shape as the objects that cast them, we will be continue to expand our knowledge about how light travels in straight lines.

RE: We will be finding out how the building of community is important for religions.

Computing: How can sharing information online help bring people together will be our focus.

RSHE: Reflecting on our personal positive attributes, we will set targets and goals of areas which we would like to improve .

Art: We will colour our painting- based on the style of the Mona Lisa - and try to use Da Vinci's techniques and colours.

Spanish: We will continue to learn how to tell the time in Spanish.

Black History

In preparation for our upcoming Black History speeches, we will be having some Oracy workshops over the next few weeks to help us to perform our compositions using appropriate intonation, volume and expression.

Secondary School Applications for September 2023 Please read the prospectus to find out how to apply for a secondary school place. Look out for the Open Days on p8-9 www.newham.gov.uk/we-are-going-to-secondary-school

Research the schools that you are interested in using this website: www.newham.gov.uk/school-factfinder
Apply online for a place by registering and creating a password at: www.eadmissions.org.uk

Application deadline: Monday 31st October 2022.

Over to you...Homework

Continue your work on Mathematics, TT Rockstars and Bug Club. Remember to read every day and make sure to bring your reading book to school daily. Access the Oxford Owl spellings that are taught in class from home. Log on to the following website and build on their spelling strategies:

<https://www.oxfordowl.co.uk/> Username: star year 6 Password: spelling

Continue to use SATs Companion regularly to develop and improve your Reading, Grammar and Maths. Your teachers will be assigning tasks for you to complete. Go onto the practice tasks that cover a wide range of topics <https://app.satscompanion.com/login>
Consolidate this week's learning:

Maths: Multiplication - practice your times tables.
English/Grammar: Direct/indirect speech and parenthesis.
