NEWSLETTER

WEEK BEGINNING: 31.10.2022

THIS WEEK'S LEARNING

We hope you all had a fantastic half-term and got up to lots of exciting things! We are really looking forward to seeing what this term brings. It's going to be a busy one!

This term's theme is **Media Mayhem** and we will use a range of ICT devices and software to expand our skills and learning.

We will also be learning about different celebrations focusing on Diwali and Christmas.

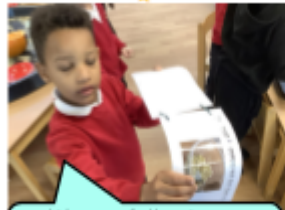

In our phonics sessions, children will continue to practise blending using 'Fred Talk'.

During maths lessons, all children will engage in fun activities whilst exploring counting, number composition, 2D shapes and positional language.

Star Moments

We are following a recipe to bake a banana cake.

I made an A B A B pattern!

We are planning our woodwork design.

'Mmm!'

Put the mixture in the tin.

We are investigating the worms that we found!

Well done to all of the Reception children for their amazing efforts with behaviour and attitudes towards learning last term. We will begin giving out Happy Leaves next week! I wonder who will be our Happy leaf winners? Ask your child what they think they could do in order to demonstrate independence.

Don't forget...

- Please ensure your child has a set of spare clothes in their bag as well as a pair of wellies to be left in school.
- All your child's belongings must be **clearly labelled** to avoid things being misplaced.
- **Jewellery must not be worn to school except stud earrings.**
- **Maths Parent Workshop: Friday 4th November 8.00 - 9.00**
- During the week commencing 14th November, Reception will go on a local trip to the Olympic Park. Dates will be confirmed during this week. Express your interest in volunteering by sending an email at reception1@star.newham.sch.uk or speak to a member of our team.

Over to you. HOME LEARNING

- Practise writing your name everyday.
- Complete the weekly mathletics homework.
- Practise reading and writing the week's sounds.
- Read a story book everyday and complete a comment in your reading record.
