

Week beginning

31.10.2022

STAR moments

This week's Golden Lunch pupils are:

6V: Annabell 6S: Alaina 6R: 6H: Stanislav

This week's Happy Leaves are awarded to:

6R: Radost for being positively engaged during her learning. She has made a huge effort across all lessons. Radost is a talented artist and in Art, she has taken inspiration from our house artist Da Vinci and our Black History artist Crosby to produce detailed sketches and blending techniques and different tones for effect.

6V: Caetia for demonstrating that she can develop positive and respectful relationships with peers. Also, Caetia produced a magnificent collage in the style of Njideka akunyili

6S: Elene for always trying her hardest and helping others. Elene has a real flare as an artist; this week she created an amazing collage and shared the ideas for her work with everyone in the class. Well done Elene!

6H: Felipe for his ability to take in constructive feedback and apply them into improving his learning and especially for the speech. Felipe also shows flexibility, leadership and always having a 'can do' attitude towards everything. Showing us exactly why he is Headboy! Well done!

P.E is on Tuesdays so please come to school dressed in your P.E. kit with black trainers.

Rights Article 24:

Every child has the right to the best possible health. Governments must provide good quality health care, clean water, nutritious food and a clean environment and education on health and well-being so that children can stay healthy.

Year 6 Newsletter

Our new theme for this half term is Media Mayhem.

Our new theme is all about News literacy; making sense of the world around us, understanding events that have just taken place or that are unfolding now. These may be very local or personal, or they may be national and international. We will develop our understanding of how we can check and validate news and separate facts from supposition or opinion, so we know we've got to the truth, or as close as we can.

Each morning we will complete our SATs assessment papers as this is Mock SATs week.

In the afternoons we will learn:

RSHE: We will learn what positive relationships are and why they are important to have.

Science: We will be able to explain how electricity flows through a circuit.

History: We will discuss what we already know about ancient Greece and discuss what we want to find out.

DT: We will explore our big question - how can I design, make and evaluate an ancient Greek building? We will research ancient Greek buildings and structures.

RE: We will investigate and discuss the importance of needing leaders in our world.

We will use some of our learning time in the afternoons to revise for our assessments scheduled for the next day.

DON'T FORGET MONDAY 31ST OCTOBER IS THE DEADLINE FOR SECONDARY SCHOOL APPLICATIONS. THEY MUST BE COMPLETED AND SUBMITTED BY THE END OF THE DAY.

This week is Mock SATs week in Year Six. Each morning, your child will complete an assessment paper. They will be tested on: Maths (arithmetic and reasoning), Reading, Spelling, Grammar and Punctuation.

Please make sure your child gets a good night's sleep and has a healthy breakfast before they come to school to give them the best chance of achieving their full potential.

Over to you...Homework

Do your work on Mathletics, TT Rockstars and Bug Club. Remember to read every day and make sure to bring your reading book to school daily. Access the Oxford Owl spellings that are taught in class from home. Log on to the following website and build on their spelling strategies.

Use this week to revise each evening for your next assessment paper.
