

Week beginning

07.11.2022

Year 6 Newsletter

STAR moments

This week's Golden Lunch pupils are:

6V: Everts 6S: Alaina 6R: Travis 6H: Stanis

This week's Happy Leaves are awarded to:

6R: AJ for showing increased independence in his learning. He uses his initiative and never hesitates to ask if he is unsure of something. AJ is also incredibly helpful in the classroom and helps 6R to be very organised. Thank you AJ!

6S: Eiliyah for showing independence with her Maths learning and revision for mock SATs week. Eiliyah also encourages her peers to work independently by offering initial support when working in a group, and then promoting her peers to tackle the challenge individually.

6V: Zachariya for demonstrating that he is an outstanding role model inside and outside of the classroom and a fantastic mathematician. He offered to help peers with their tasks and was resilient to work independently on SATS companion to revise for Mock SATS Week.

6H: Lilly for demonstrating her growing independence and confidence in her learning. Lilly has been so focused in class that she's been making big strides which is evident in her books! Keep it up, Lilly!

P.E is on Tuesdays so please come to school dressed in your P.E. kit with black trainers.

Rights Article 24:

Every child has the right to the best possible health. Governments must provide good quality health care, clean water, nutritious food and a clean environment and education on health and well-being so that children can stay healthy.

Congratulations to everyone for doing your first Mock SATs tests. Well done!

We would like to wish a very Happy Diwali to all our families celebrating over the holidays.

Year Six Attendance Challenge!

Let's increase our attendance by making sure that you come to school every single day. Which year six class will have the highest attendance next week? The winning class will get extra playtime!

Over to you...Homework

Do your work on Mathletics, TT Rockstars and Bug Club. Remember to read every day and make sure to bring your reading book to school daily. Access the Oxford Owl spellings that are taught in class from home. Log on to the following website and build on your spelling strategies.

<https://www.oxfordowl.co.uk/> Username: star year 6
Password: spelling

<https://app.satscompanion.com/login>

Maths: Long multiplication and division. English: Colons and semi colons.
