

Reception NEWSLETTER

WEEK BEGINNING: 14.11.2022

THIS WEEK'S LEARNING

This week is a very exciting week in Reception as we will all be going on our first trip to the Olympic Park!

There, we will use our senses to explore the natural environment around us. Furthermore, we will use ICT equipment and a software programme to create number books. We will use our mathematical and critical thinking skills to notice the numerical patterns around us which will help us create the number books.

The school will provide a packed lunch, please can you ensure that your child comes to school with an **EMPTY** backpack in order to carry it. Alternatively, you are welcome to provide your child with their own packed lunch.

Please ensure your child has a raincoat and a hat and is wearing the usual school uniform. Children will all be wearing a high-vis jacket to ensure their safety.
