## STAR moments

This week's happy leaves go to:

**5R: Sarah**, for being a fantastic, independent and respectful member of 5R. Sarah comes in with enthusiasm and a positive attitude every day, which is always appreciated by her peers and adults alike. A fantastic role model!

**5T: Henry**, for his drive to independently research and look up facts about his topic. Every day Henry comes to me with burning new questions about WW2, a fantastic sense of curiosity!

**5PN: Shayaan**, for being a supportive, kind and caring member of the class. He always goes out of his way to ask others how they are feeling, offers support and uses positive language to make others feel better. Keep it up Shayaan!

**Please ensure your child is in school each day. The class with the highest attendance each week will get a special reward.**

## Our new theme for this half term is Media Mayhem.

In English, we will be role-playing as interviewers and discussing what witnesses would have said about children being evacuated from London during WW2. We will then include this in our news report using direct and indirect speech.

As Mathematicians, we will be multiplying numbers up to 4-digits with a 1-digit number. We will need to continue practising our times tables up to X12 to ensure we are able to use written methods for multiplication.
