

## Weekly Newsletter - 18/11/22

Dear Parents,

As the chancellor announces further taxes and more budget cuts, we know that many of our families will be struggling financially. At the same time we know that Christmas is coming and we need to keep the spirit of the whole community as positive as possible in these difficult times. That is why we have decided to go ahead with our annual winter market this year. We have worked hard to keep the prices to the very minimum in order to give the children and our wider community a memorable experience. That is why we have decided to make everything £1. You can see the price list in this newsletter so that you can budget accordingly.

This week we observed anti-bullying week and the children had great fun wearing odd socks on Monday. Children have been reflecting on why some children are different and why we need to accept all different people into our community.

I was so impressed to see the Year 1 parents supporting the start of the day with their child this morning. I am very much looking forward to seeing the Year 6 parents for the Outward Bound meeting next Thursday.

Best wishes,  
Ms Von

Attendance is key to success!

*We are increasing the rewards and incentives for a Pupils who attend school every day. For the last 4 weeks of term, the classes with the highest attendance will be treated to rewards that include Silent Disco's, entry into a prize draw and delicious treats. At the moment the group with the highest attendance is YEAR 4! They are well on their way to winning a disco!*

## WINTER CUPCAKE COMPETITION

This year we will once again be holding a very tasty competition!  
We're asking pupils to design and create a seasonal cupcake or cake to be sold at our Winter Market. There will be prizes for the best cupcake in each year group!

**Cupcakes should be brought to school on Monday 28th November.**

## TICKETS

**Tickets for the winter market are available to purchase from Monday. Tickets can be purchased via Parent mail, or on the door of the night. We recommend buying via ParentMail before they all run out! Tickets are £1 per adult, £1 per child!**

On Wednesday, some Pupil Leaders visited the Houses of Parliament where they learnt about the democratic process of law making. Through debating, they took a Bill through the House of Commons and the House of Lords and learnt how laws are passed.
