

Reception NEWSLETTER

WEEK BEGINNING: 21.11.2022

THIS WEEK'S LEARNING

What an eventful week it's been in Reception! We had our very first trip to the Olympic park. A big thank you to all the parents that helped us and our children did really well despite the rain!

Our Christmas Nativity practice is also in full swing! Please help your child by helping them learn their lines or songs.

In Maths this week we are exploring number bonds to 5.

In Phonics we continue to learn new sounds and encourage Fred talk.

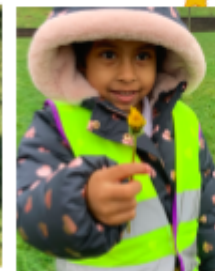

Star Moments

1, 2, 3!

Look, a muddy puddle!

1 yellow flower

We can see a boat!

We are on a trip!

What's the time Mr. Wolf? It's dinner time!

Well done to all of the Reception children for their amazing efforts with behaviour and attitudes towards learning. This week, our happy leaves go out to:

- RA: - **Armani** - for being super sensible on our trip and being a great role model for all of her peers. She was great at leading our line walk so sensibly to the Olympic Park!
- RB: **Mahfooz** - for becoming increasingly independent at lunch time and using a fork to eat noodles by himself. Well done, Mahfooz!
- RSM: - **Rebecca** - for being a fantastic independent learner! Rebecca likes challenging herself before she asks for help. Showing great independence, well done!

Attendance

RB 88.9%
Well done, RB!

RA - 88.1%
RSM - 88.7%

Please bring your child in everyday so that no learning is missed.

Don't forget...

- We must come into school everyday so we don't miss important learning.
- Please ensure your child has a set of spare clothes in their bag as well as wellies. This is really important as the weather is very wet and lots of learning happens outdoors.
- All your child's belongings must be **clearly labelled** to avoid things being misplaced.
- Share your WOW moment from home on Tapestry. Your teachers love seeing them!
- Thank you to those parents who are active on Tapestry, it's great to have your contributions of learning that is happening at home!
- Make sure to practise your Nativity lines at home!

Over to you. HOME LEARNING

- Practise writing your name everyday.
- Complete the weekly mathematics homework.
- Practise reading and writing the week's sounds.
- Read a story book everyday and complete a comment in your reading record.
