

Week beginning

21.11.2022

Year 6 Newsletter

STAR moments

This week's Golden Lunch pupils are:

6V: Daniel 6S: Ethan 6R: Demarie 6H: Nathaly

This week's Happy Leaves are awarded to:

6R: Salma for being more independent as a learner. She uses her initiative and asks for support when she needs it. Salma is becoming more confident and recognises how she can prioritise what she needs to do first and what she needs to do next to complete her tasks. Well done Salma.

6S: Alaina for becoming a confident, motivated and independent learner. Alaina has developed considerably this year and has fostered a real love of learning. She tries her hardest and is always focused on practising tasks at home, as well as in any spare time she can find in the day at school. Keep it up!

6V: Jack for demonstrating that he is a fantastic Historian. During this term, Jack has began to use his natural curiosity about history to become more independent and started to use his knowledge about topics that he is interest in, in English and Historians. This has allowed him to help and support pupils with timelines and to find interesting facts.

6H: Elliot for excellent independence in the classroom. Elliot is someone who can always be relied on to do the right thing, whether it's his learning or his behaviour in the class. Elliot is always looking for reasons to help the teacher and his peers, demonstrating what a reliable and independent student he truly is.

P.E is on Tuesdays so please come to school dressed in your P.E. kit with black trainers.

Rights Article 24:

Every child has the right to the best possible health. Governments must provide good quality health care, clean water, nutritious food and a clean environment and education on health and well-being so that children can stay healthy.

This week's learning...

Shared Reading: We will be reading about, and answering comprehension questions on the Ancient Greek god and goddesses.

English: We will be continuing to write our newspaper articles on Alexander the Great and polishing off our work to create the final, edited piece!

Maths: We will be identifying fractions of shapes, simplifying fractions and converting improper and mixed fractions.

Science: We will be carrying out an investigation to find out how the volume of a buzzer can be increased in a circuit.

History: We will be identifying the similarities and differences between the ancient cities of Athens and Sparta.

RE: We will be investigating important religious leaders in the world.

RSHE: We will be exploring how online behaviour can affect our wellbeing.

Maths Workshop for Parents/Carers - Year 5 and 6

There will be a maths workshop on Friday 25th of November in the Community Room from 08:00 until 08:45.

The aim of the workshop is to provide you with a deeper understanding of our maths philosophy and curriculum as well as give you practical tips and advice as to how you can support your child at home too.

Please indicate your attendance via Parentmail by selecting 1 of the 2 options.

Over to you...Homework

Do your work on Mathletics, TT Rockstars and Bug Club. Remember to read every day and make sure to bring your reading book to school daily. Access the Oxford Owl spellings that are taught in class from home.

Log on to the following website and build on your spelling strategies.

<https://www.oxfordowl.co.uk/> Username: star year 6
Password: spelling

<https://app.satscompanion.com/login>

Maths: Fractions, square and prime numbers.. English: Active/passive voice. past tense.

Keep in touch!
