STAR moments

This week's happy leaves go to:

5R Samira:, for her resilience and perseverance during our swimming lessons. Samira really showed the value of independence and growth whilst developing her confidence in the water. She should be very proud of herself!

5T: Anaya, for settling back into class perfectly and choosing to advance her learning through questioning to both her partner and teacher.

5PN: Taiyeb, for conquering his fears and persevering! Taiyab showed great determination and courage during his swimming lessons and worked really hard to improve his skills on a daily basis. We are so proud of you! Well done Taiyab!

Please ensure your child is in school each day. The class with the highest attendance each week will get a special reward.

Our new theme for this half term is Media Mayhem.

- In English and Computing, we will be continue exploring blogs and learning how to create our own blogs using Google Sites.
- As Mathematicians, we will be learn how to divide using the written method for division.
- As Scientists, we will be learning all about air resistance and the forces in action when objects fall to the ground.
- In D&T, we will be identifying the labeling all the key parts of a moving vehicle in order to design our own.
- In History, we will be participating in a Now Press Play session to learn all about what children did once they were evacuated from London during the war.
- To delve deeper into our WW2 topic, we will be participating in a 'Women at War' workshop to find out what roles the women played during the war and how they supported the fight against the Axis countries.
- We will also be completing our Grammar, Spelling and Reading assessments this week.

We are so pleased to tell you that the children have absolutely loved attending their swimming lessons over the past two weeks and are proud to tell you that they have made tremendous progress. Thank you for all your support!

Don't forget!
