

Week beginning

28.11.2022

Year 6 Newsletter

STAR moments

This week's Golden Lunch pupils are:

6V: Brayden 6S: Mohamed 6R: AJ 6H: Zain

This week's Happy Leaves are awarded to:

6R: Amalda for working independently on her recount writing showcasing her use of ambitious vocabulary. She persevered in using the present, present perfect and present progressive tenses.

6S: Sonny for using all the writing tools available to him to independently write his newspaper article on the battle of Issus. Sonny has shown great resilience and has been utilising all the scaffolding and modelling available to him to produce a fantastic piece of writing.

6V: Annabell for being determined to be successful in Year 6. Ever since the beginning of the academic year, Annabell has been resilient, hardworking and engaged in all lessons which has allowed her to become more confident in Maths and shine in English, as well as develop fantastic positive relationships with her peers. Well done Annabell!!

6H: Emanuely for her exceptional determination and resilience in solving fraction questions during maths. She has shown that making mistakes is part of the process of learning, but most importantly to bounce back and understand and fix her mistake. Well done for your excellent independence!

P.E is on Tuesdays so please come to school dressed in your P.E. kit with black trainers.

Rights Article 24:

Every child has the right to the best possible health. Governments must provide good quality health care, clean water, nutritious food and a clean environment and education on health and well-being so that children can stay healthy.

This week's learning...

Shared Reading: We will be using our retrieval and inference skills to read a variety of texts focussing on echo reading, deepening our understanding of ambitious vocabulary and giving our opinion.

English: We will begin to look at the features of scripts in preparation for our Vlog writing.

Maths: We will continue to learn about fractions and we will focus on adding and subtracting fractions with different denominators and then multiplying and dividing fractions.

History: We will be comparing the lifestyle between the two Greek city states of Athens and Sparta.

RE: We will be investigating important religious leaders across the globe.

RSHE: We will be exploring how information can be shared online and the difference between that and sharing face to face.

Year Six have a World Cup Maths booklet full of lots of engaging SATs style questions for their home-learning this week. Please support your child in answering the questions.

There will be house points and additional incentives for each child who completes their booklet and returns it to their teacher by Friday 2nd December.

Punctuality

Please help us maximise our learning time by ensuring your child is in school and ready to learn by 7:50am. We have noticed lots of pupils are arriving at 8am. This means they have lost 10 minutes of learning time that day.

Over one week, that's almost 1 hour of learning time! And over a half term, that's one day!

Over to you...Homework

Do your work on Mathletics, TT Rockstars and Bug Club. Remember to read every day and make sure to bring your reading book to school daily. Access the Oxford Owl spellings that are taught in class from home. Log on to the following website and build on your spelling strategies.
