

# Week beginning

31/10/21

# Year 3 Newsletter

## STAR moments

We ended last term celebrating our Black History topic through our speech making competition. We attended the speech making competition for KS1 - a big well done to 3GR for being one of the competition winners. The quality of all performances across the year group was outstanding, well done to all our year 3 children!

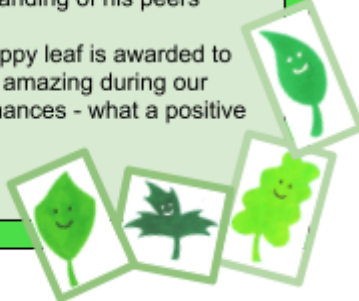

We are looking forward to the start of our new half term. This half term we will be focusing on Media Mayhem. This term the year 3 children will see how Media has been changed and adapted over time. They will also be looking at journalistic writing and reporting on events from the past.

### Our Happy Leaves this week are:

In 3R: The happy was awarded to **Dolly** for being reflective and understanding of her own emotions and those of her peers.

In 3L: Our happy leaf was awarded to **Spencer** for his Independence and the mature understanding of his peers emotions.

In 3GR: Our happy leaf is awarded to **Hajra** for being amazing during our speech performances - what a positive performance!

## This weeks learning..

*This half term our topic is going to be focused on Media Mayhem.*

**In Shared Reading** we will be studying the Iron Man. Our journey starts with an unlikely setting and even more unlikely character... Who is he? How did he get here?

**In English** we will be focusing on Magazine Articles and exploring the features of articles.

**In Maths** we will be beginning to apply our knowledge of addition and subtraction using the bar model. Please keep accessing Times Tables Rockstars and Mathletics at home.

**In Science** we will be learning about Forces and Magnets. We will be exploring Forces including pushes and pulls and the effects that they have on objects.

**In History** we will be looking at the historic period of Ancient Egypt. We will be looking this fascinating period and see why many people love this piece of human history. Mummies, pyramids, hieroglyphs and much more to look forward to!

**In D.T.** we will be making our very own moving Pharaoh. He will move with pulleys and levers so he can rule over our class!

**In Computing** we will be continuing to make sure that we are staying safe online. We will start by exploring EMAILS.

This will tie into our work in **R.S.H.E. topic** of positive relationships and how we can use the internet to form positive relationships with people we know in real life.

# Don't forget!

P.E is on Wednesday so you please remember to come into school dressed in your P.E. uniform with black trainers!  
Fit Friday is on Friday so please come into school dressed in your Fit Friday kit with black trainers!

## Over to you...Home learning

Don't forget to log on to Mathletics and complete the work assigned to you each day!

Continue to improve your reading skills by logging onto Bug Club every day. Remember to share a chapter from your favourite book with someone at home too.

Strive to achieve your bronze, silver or gold awards on Times Tables Rockstars too.

As well as this, we have a new way for you to access your spellings at home!

Go to <https://www.oxfordowl.co.uk/> and 'class login'.

You can log on using these details:

User name: star year 3

Password: spelling
