Our Learning

This week:

English:

As a writer, we will be continuing our phonics journey using our Read Write Inc books. Children will be learning new sounds and we will practice reading and writing everyday.

We will be reading a book called, Little People, Big Dreams: Amelia Earhart. This is about a woman, Amelia Earhart, who was the first woman to fly solo across the Atlantic ocean.

Maths:

As mathematicians, we'll be looking at shapes and repeating patterns using shape. We will learn about their different properties. How many different shapes can you find at home?

Science:

As scientists, we will plan our investigation into Floating and Sinking. The children will be thinking for themselves, What do I need to carry out an investigation? Remember, we are asking you to create a boat at home with your child and bring it in to school. We need these completed by Monday 5th December. Will your boat float or sink?

Design Technology:

As engineers, we will be creating instructions to build our diamond kites and then making them! Have a think at home, what materials and tools would you need to make a kite?

We will also continue to practise our Year 1 performance. We are very excited! Your children may receive a script to take home to help them learn their lines.

P.E and Music is scheduled for Monday afternoon. So, remember to come dressed in your correct PE kit. If you are unsure, check the uniform policy on Star's newly designed website or ask your teacher.

Every Friday Morning from 7.50 to 8am all year 1 parents are invited to come and read with their child in the classrooms to help nurture a love for reading!

The Year 1 Christmas concert is on Thursday 8th December. The children have been working very hard, we are so proud of them. We are greatly looking forward to seeing you there!

Don't forget...

Make sure your child comes to school every day!

- **Read everyday for 10 minutes.** We will be giving out three reading books; an Oxford book, a decodable RWI book and a read for pleasure book. We highly encourage all children to read at home everyday with a comment written in their reading diaries.
- All children must come to school wearing Fit Friday t-shirts and trainers each Friday.
- **Bug Club and Mathletics** please ensure your child accesses these apps for 5 or 10 minutes each day. On a Friday, each class will announce their Bug Club and Mathletics champions.
