## STAR moments

It has been a lovely week in year 4. The children came into school and were very happy to see the Christmas trees lit up across the school. They have some great activities lined up over the coming weeks, so be prepared for some very excited children! We have been busy rehearsing for our concert which will be on Thursday 15th December at 1.30 on the bottom hall. Encourage your children to practise their words!

## This weeks learning..

This week is assessment week and the children will be participating in reading, spelling and grammar tests. There will be 2 reading papers where we will be looking at children's comprehension skills of a fiction and nonfiction text. These will occur over 2 days, Monday and Tuesday. On Thursday the children will have a 20 question grammar test as well as a 20 question spelling test of words they have not learnt but are expected to know.

We are continuing our Maths - No Problem! scheme and this week the children will be begin working on division. Ask your child to explain the commutative law and inverse, you will be impressed!

As scientists this week the children will be bringing together all the work they have learnt this term about sound and as historians they will be answering the big question how did Britain changed during the Industrial Revolution?

The children will continue their rehearsals for our Christmas concert and on Friday some children will be baking sweet treats for the local elderly members of our community, ready to distribute at a special Christmas lunch next week. This is when 30 children from year 4 will visit Canning Town library and perform Christmas songs to all attending.

# Don't forget!

P.E. is on Wednesday. Please remember to get your child to wear a sweatshirt or jumper as weather has turned much colder.

Fit Friday is on Friday. You need to come into school dressed in your P.E. kit. Again please make sure your child has a sweatshirt of jumper as we will be going outdoors to play tennis.

## Over to you...Home learning

We have a spelling resource for the children to use at home. The website is [www.oxfordowl.co.uk](http://www.oxfordowl.co.uk) and Year 4 log on for all children is as follows:

username: staryear4

Password: spelling

There are also E - Books and E - Audio books here as well. Spellings for the week can be found on Google Classroom along with times tables tests. Children are to continue working on Times Tables Rock Stars, Mathletics and Bug Club. Every week spellings are placed on Google Classroom alongside weekly times tables practise.
