NURSERY Newsletter

This week's learning

Happy New Year and welcome back Nursery!

We hope you enjoyed your time with your families and had a relaxing holiday.

We have a very exciting topic for this term which is **Earth Our Home**. We will be looking at how we can look after our environment and cannot wait to start. The children will explore ice and the effect of it melting. We will also look at water colours using ice too. Our book for next week is "Tiny Seed" that teaches us about the weather changes as well as how can we plant seeds.

DON'T FORGET!

- Please keep on sharing your WOW moments from home on **Tapestry**. We love seeing them! Thank you to those parents who are active on Tapestry, it's great to have your contributions of the learning that is happening at home.
- Provide **spare clothes** in your child's bag: socks, underwear, bottoms, tops.
- **Label** all clothing, shoes and bags.

OVER TO YOU! HOME LEARNING

- This term's theme is EARTH OUR HOME!
- You can use this topic as an opportunity to talk to your child about ways we can look after our planet.
