Our Learning

English:

As readers, we will be continuing our phonics journey using our Read Write Inc books. Children will be learning new sounds and we will practice reading and writing everyday. Our focus books this term will be , Where's the Elephant and A to Z of Endangered Animals.

Maths:

As mathematicians, we are going to be learning about numbers to 40. Can you count to 40?

Science:

As scientists, we will continue to look at **Animals including humans**. We will be thinking carefully about how we could help endangered animals from climate change. We will be designing a poster to raise awareness and help planet Earth – our home.

Geography: As geographers, we will be looking at our local area through maps and exploring our routes to school. We will be describing and compare familiar places.

Art: As artists, we will focus on collage and print this term. We will be creating a Picasso inspired collage using animals cutouts from different angles.

Computing: Using technology we will be creating a digital campaign to help protect endangered animals using the app, Sketches Schools on the iPads.

Religious Education: This term we will be exploring what it means to belong to Sikhism. This week we will focus on the **5 k's** and why they are important to Sikh people.

P.E and Music is scheduled for Monday afternoon. So, remember to come dressed in your correct PE kit. If you are unsure, check the uniform policy on Star's newly designed website or ask your teacher.

Every Friday Morning from 7.50 to 8am all year 1 parents are invited to come and read with their child in the classrooms to help nurture a love for reading!

Don't forget...

Make sure your child comes to school every day!

- **Read everyday for 10 minutes.** We will be giving out three reading books; an Oxford book, a decodable RWI book and a read for pleasure book. We highly encourage all children to read at home everyday with a comment written in their reading diaries.
- All children must come to school wearing Fit Friday t-shirts and trainers each Friday.
- **Bug Club and Mathletics** please ensure your child accesses these apps for 5 or 10 minutes each day. On a Friday, each class will announce their Bug Club and Mathletics champions.
