

Week beginning

23.01.2023

Year 5 Newsletter

STAR moments

This week's happy leaves go to:

5R: Jannath, for her enthusiasm and growth-mindset throughout her learning. Consistently, Jannath puts it 100% effort in all the challenges she is set with to deepen her learning. A fantastic role-model!

5T: Elijah, for his growth in responsibility. This half term Elijah has taken responsibility for his work and behaviour he has worked hard to use a growth mindset to make the right choices, I am proud of him.

5PN: Daria, for growing in confidence since the start of Year 5. Daria never gives up, no matter how hard she finds a task; her resilience is inspiring!

Please ensure your child is in school each day. The class with the highest attendance each week will get a special reward.

Our new theme for this half term is The Earth Our Home.

In English, we will be getting to grips with its causes and effects of Climate change as well as creating our own informative leaflet.

As readers, we will be continuing our book, 'Kick'; analysing settings and emotions as well as exploring the author's use of Indonesian vocabulary.

In Maths this week, we will be learning how to add fractions and subtract fractions involving whole numbers.

In RE, we will be reading religious stories and discussing what we can understand and learn from them.

In Science, we will be exploring the life cycles of different mammals and explaining the differences between them.

In Geography, we will be looking into how humans have treated California and the effects of human activity on the natural environment.

In RSHE, we will continue to learn all about how we can cope in different situations by creating our own coping devices.

In Art, we will continue to create our collage using a range of materials and techniques.

Don't forget!

PE is on Thursday so you need to come into school dressed in your P.E. kit with black trainers!

Remember to wear your Fit Friday kit on Friday!

Please ensure your child is at the school gate by 7:45am! At Star, we now have Brighter Starts breakfast and singing in class from 7:50 - 8:00am every morning to support your child with starting the day with as much energy as possible.

Over to you...Home learning

Don't forget to log on to Mathletics and complete the work assigned to you each day! Continue to improve your reading skills by logging onto Bug Club each day. Remember to share a chapter from your favourite book with someone at home too.

Strive to achieve your bronze, silver or gold awards on Times Tables Rockstars too.
