STAR moments

This week's happy leaves go to:

5R: Guosne, for her consistent mature attitude. Guosne continuously shows effort and demonstrates a growth mindset when she is faced with challenges. She contributes eagerly during class discussion and has been a fantastic partner for her peers. Well done Guosne!

5T: Falak, for her growth in responsibility to her work. Falak has recognised what she needs to succeed each lesson and works towards using what she thinks she needs to use. She keeps growing in responsibility and is quite the role model.

5PN: Rayan, for his ongoing effort towards his learning. Rayan has really shown dedication and demonstrated a 'growth mindset' towards his learning. He is always attempting to improve and develop as a learner and asks relevant questions to deepen his understanding. Well done, Rayan!

Please ensure your child is in school each day. The class with the highest attendance each week will get a special reward.

Our new theme for this half term is The Earth Our Home.

As writers and performers, we will delve into the world of campaigning, and rehearse our campaign protest to support the slow down of climate change!

As readers, we will be continuing our book, 'Kick'; focusing on the journey of Budi and improving our inference and deduction skills by answering comprehension questions.

As mathematicians, this week we will be learning to multiply fractions.

As theologians, we will reflect on what force for good I can be in the world.

As Scientists, we will be identifying the difference between sexual and asexual reproduction in plants and explaining how flowering plants reproduce.

As geographers, we will be exploring changes to the world's environment over time.

In Computing, we will learn how to create our own campaign logo using Sketches Schools, record a video using the camera app and a green screen. We will then edit the video using iMovie.

As artists, we will be evaluating our art based on our final piece of work.

Don't forget!

PE is on Thursday so you need to come into school dressed in your P.E. kit with black trainers!
Remember to wear your Fit Friday kit on Friday!
School will be closed for half term holidays from Monday 13th February to Friday 17th February 2023.
School will reopen on Monday 20th February.

Please ensure your child is at the school gate by 7:45am! At Star, we now have Brighter Starts breakfast and singing in class from 7:50 - 8:00am every morning to support your child with starting the day with as much energy as possible.

Over to you...Home learning

Don't forget to log on to Mathletics and complete the work assigned to you each day!
Continue to improve your reading skills by logging onto Bug Club each day. Remember to share a chapter from your favourite book with someone at home too.

Strive to achieve your bronze, silver or gold awards on Times Tables Rockstars too.
