

Weekly Newsletter - 10/03/23

Dear Parents and Carers,
The icy weather conditions this past week is a stark reminder of the many battles we are currently facing with weather patterns across the globe. Our children have been thinking about this and exploring the importance of Fairtrade and how this manages the way we think about how our food is produced. We would love you to continue this conversation with your child at home.

Today we launched our very exciting Science week with a visit from Safari Pete. The children were delighted to see and handle a range of reptiles and small mammals.

On Wednesday 8th, we also marked International Women's Day! We are grateful for all the strong women in our community, many of whom are reading this newsletter right now. Unfortunately, next week is set to be a disrupted week and the school will be **closed due to Industrial Action by NEU members on Wednesday 15th March**. Please send your children to school on all other days of the week.

We have included a flyer about our Portrait Competition in this newsletter as well as some employment opportunities to work for Olive Dining. Please scroll down to see all pages.

Have a wonderful weekend.
Best wishes,
Ms Von

Pupil Leader's Weekly Reflection

Did you know some foods such as cocoa, bananas and coffee are affected by climate change? Buy foods that are fairtrade and support the workers that produce or food and build a more sustainable, greener and fairer future.
