

Reception NEWSLETTER

WEEK BEGINNING: 13.03.2023

THIS WEEK'S LEARNING

Wow! What an amazing week we have had in Reception! It was so lovely to see so many adults in school for our PSED showcase, hopefully the children will be able to talk to you all about their emotions and how to regulate them at home!

In maths this week, we will be learning about capacity. During phonics we will continue new sounds and consolidate the ones we have already learnt and use Fred talk.

We will continue to paint in the same style as Mark Rothko to further develop our artistic skills.

We will continue to write and share our Helicopter stories with our friends and teachers and act them out!

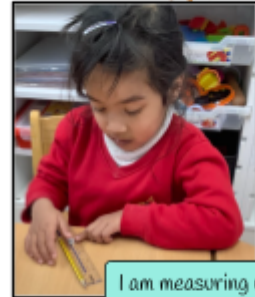

Star Moments

I'm measuring using my feet!

First I asked my brain and then my buddy when I needed help!

I am measuring using a ruler!

Mark Rothko painting!

The whiteboard is too tall. We need two rulers.

Look at my pattern: bubble bubble pop!

Well done to all of the Reception children for their amazing efforts with behaviour and attitudes towards learning. This week, our happy leaves go out to:

- RA: **Amina** - For giving a 100 percent effort in everything she does. Amina is always trying her hardest and looking for ways to challenge herself in her learning. Well done Amina!
- RB: **Kayla** - for constantly spreading her joy throughout Reception; Kayla spends every day sharing her happiness with her infectious smile and enthusiasm for everything!
- RSM: **Rebecca** - for applying herself to her learning, being able to measure items using a ruler with a partner and independently. Her achievement and success in maths make us very proud.

Attendance

RB - 93.5%

Well done, RB!

RA - 85.4% RSM - 83.6%

Please bring your child in everyday so that no learning is missed.

Don't forget...

- Come to school on time to have breakfast with your friends and sing-along!
- Mudchute Farm visit - Monday 27th March. More details to follow.
- Please remember Mathletics homework should be completed **every week**. Well done to the children who have collected many points and have been awarded a certificate.
- Please keep on sharing your WOW moments from home on Tapestry. It was lovely to see a girl in RA celebrating her birthday at the Sea Life Centre!
- READING BOOKS WILL NOW BE CHANGED ON A TUESDAY!

Over to you. HOME LEARNING

- Complete the weekly mathletics homework.
- Practise reading and writing the week's sounds.
- Read a story book everyday and complete a comment in your reading record.
- Complete The Express Yourself learning project by the end of this term.
